

of King Herod.

(Tune starts again)

*Magi from the east came
to Jerusalem*

*and asked, "**Where** is the one who has been
born king of the Jews?"*

*We saw his star in the east
and have come to worship him."*

Gabe (Gabe comes on the scene during the Magi's first comments.) Excuse me sir, I couldn't help but overhear your dilemma. You are looking for a star and I believe I can help you.

Magi Oh goodie another wise guy. Look pal, I have two other guys back there who insist on following me around, by the way, hand me some of that oil of oye vey would ya? (sounds like Oil of Olay) It's in my bag.

Gabe Absolutely, (finds lotion and hands it to him). And, yes, I know you are one of the three Wise men.

Magi (throws his hands up in the air and says in a loud voice) Great, now everyone knows we are coming. I suppose they also know we're bringing Frankincense and Myrrh. By the way, the Myrrh was his idea – who brings Myrrh to baby anyway? Pause.... Herod is going to have our heads. So much for a covert operation.

And I don't know how wise we are, I mean I understand the whole Green thing but really, camels? Do you know how much sooner we would have arrived had we driven the Navigator?

Gabe Well, Mr... Wwwwiise...men..., would you like the directions?

Magi (Exhausted) Sure, kid, I am open to just about anything. You know, I think we took a wrong turn somewhere around the Dead Sea and this sand has done a number on my MPS

Gabe Don't you mean GPS?

Magi No, I mean MPS – you know Messiah Positioning System. Herrod gave it to me!

Gabe (pause) Look, you want to go straight up past Jericho, take a left at the Sea of Galilee, and there is a small town called Nazareth... The boys and I put the star right over the Carpenter's shop. You can't miss it. See ya....

Magi See ya?... (Yells out) Hey wait a minute... who are you? (Reaches in pocket to pay him) Here, let me give you something for the directions?

Gabe Just give everything... and I mean everything, to the baby King... you will be glad you did.

Magi (With a sense of wonder) Give everything to the King? Now, how did he know that?
